College-Going Rate

Among Recent West Virginia Public High School Graduates

The college-going rate is now derived from the P-20 data system. Therefore values may differ slightly from those provided in previous editions of the fall enrollment reports.

Student Persistence and Completion

For Students Enrolled at a West Virginia Public Institution in the Fall Semester

The table below shows the percentage of all students enrolled in the fall semester who returned to any West Virginia public two- or four-year institution the following fall, those who graduated and did not return, and those for whom no subsequent enrollment or graduation record was found. Dual Enrollment high school students are excluded.

Transfers from Four-Year to Two-Year Institutions

Excluding Dual Enrollment High School Students

This chart shows the number of associate- and bachelor's degree-seeking students who transferred to a two-year institution the following year. Year labels reflect the year a student transferred to a two-year institution. For example, 2021 data reflect the number of degree-seeking students attending a four-year institution in the 2020-21 academic year who transferred to a two-year institution in the fall semester of the 2021-22 year. Dual enrollment students are excluded.
