Parent child allocation factors

The **Human Resources survey** report submitted under this UnitID is a combined report that includes data for all the locations listed below. Because this is a combined report, you must provide allocation factors that indicate how the data should be distributed among all included institutions. Allocation factors are percents. The allocation factors you provide will be used to create derived variables for the IPEDS Peer Analysis System to allocate reported data to each component location.

Enter allocation factors in the spaces provided; use whole numbers only. Percents must add to 100%. You may not leave any cell blank. You will not be able to lock your data if this section is not completed.

UnitID	Name of Institution	City, State	Allocation factor	2004-05 Allocation factor
237367	Fairmont State University	Fairmont, WV	<input type="text" value="70"/> %	
443492	Pierpont Community and Technical College	Fairmont, WV	<input type="text" value="30"/> %	
		Total:	<input type="text"/>	

If this list of institutions is not complete, or is incorrect in any way, or if you would like to report data for each component institution instead of submitting a combined report, or if you have any questions or concerns, please call the Help Desk at **1-877-225-2568**.

Caveats:

Please be aware that the above allocation is based on the following information: We have very few administrative positions that work directly for the C&TC. The C&TC is charged back for services from our administrative offices. The percentage average is based on the student enrollments of both components. The current enrollment percentage is 63 % University and 37% C&TC. There are 60 full time faculty that Teach in the C&TC division, while there are 150 full time faculty that teach in the University. The percent of adjunct faculty between the components is 50/50.

CAVEATS

Please know that in this filing we will be reporting the University and Community and Technical College together since we no longer have separate accreditation. The University report will include all C&TC faculty and staff and the C&TC report will be set at all zeros or blanks. It is my understanding that the student data will continue to report separate data but finance and H/R reporting will be combined.
