- The Course ID will not match the RBAS courses at Fairmont State. You'll be searching for classes by Course Name instead.
- The Master List of Classes document will provide the Subject search category for each class approved at Fairmont State.
- To be considered upper-division level, a class must be posted at the RBAS 3000 or 4000 levels on the Fairmont State schedule.
- Required textbook information is provided in the WVROCKS Course Catalog.
- Each student is responsible for locating and purchasing the required textbooks.
- Textbooks required for WVROCKS/RBAS classes are not available in the Fairmont State University Bookstore.
