College Park Replacement

The new housing project will be constructed on the existing Practice Field Parking lot. New parking lots will be created were the current College Park Apartments are located. The Bid date has been extended by one week. Bids are due on February 26th at 2:00 pm.

Locust Ave. Widening Project

The contractor has not been onsite this week. This is due to a gas line that was discovered and needs to be relocated. Dominion is expected to begin relocated the week of 2/16/15. The contractor will resume their work after the gas line has been relocated.

RCB Classroom HVAC Replacement

The contractor began demolition of the existing unit on 2/9/15. The crane was onsite the morning of 2/10/15 to place the new equipment. The new classroom HVAC system is up and running. Classes will resume in 136 beginning today, 2/16/15.
