University Terrace

Groundbreaking ceremony was held on 4/16/15. Half of the Practice Field Parking Lot (future bldg. site) is CLOSED, starting 4/20/15. Contractor is onsite installing Erosion & Sediment control measure, installing construction fence, and surveying site for control points.

Temporary Parking & Paving

Several inches of top soil was removed from the site and stock piled. Contractor rolled area and began laying gravel and compacting. Manhole risers were installed to match new elevation of paved roadway. Asphalt is scheduled for 4/21/15. Hope to open lot for temporary parking as soon as possible.

Locust Ave. Widening Project

Continue to widen Locust for the new turning lane. All sidewalk along Locust Ave. have been removed. The steps from Turley down to Locust have been blocked off and are inaccessible.

One Room School House

Contractor questions were received and an addendum was issued on 4/16/15. Bids are due on 4/21/15.
