University Terrace

Paving Project

Paving began in front of Prichard Hall on 07/20/2015. Contractors continued to Feaster Center back lot and Physical Plant on 07/21/2015. Paving and painting was completed on 07/22/2015. Contractor will install curb and speed bumps this week.

One Room Schoolhouse

Trimming of building and majority of windows have been completed. Siding began to go up on 07/20/2015. Two sides are completed. Restoration of windows began off site on 07/21/2015.

Jaynes Hall Bathroom

The women’s’ bathroom on the first floor is still under renovation. The dry wall has been installed and painted. Toilets are installed and stalls have been delivered and ready to be put together.
