

June 1, 2011

Dear Students,

The following review tests have been set up at MyMathTest.com for students to use to review for math classes at Fairmont State University or to prepare for the math portions of entrance or exit exams. These tests can also be used to review prior to taking the COMPASS test in order to earn the score required to enter a higher level math class than permitted by the ACT/SAT Math score.

Students go to the website [www.MyMathTest.com](http://www.MyMathTest.com) and purchase an access code with a credit card. The cost is \$10. In addition to the personal access code, the student will need one of the program IDs below depending on the topic to be reviewed. Sixteen weeks of access is granted.

MyMathTest has minimal navigation buttons. They are “Announcements,” “Take a Test,” “Study Plan”, and “Results.” There are instructions located in the “Announcements” button.

The student takes practice tests on topics within the review subject. The program then creates a study plan using the questions missed on the practice tests. Students work on problems in the study plan (marked with a pencil icon) until the topic is mastered. Hints and solutions are available in the program when working problems in the study plan.

<a href="#">Review of Arithmetic, Pre-Algebra, Geometry</a>	<a href="#">XL00-X1N4-201Y-4EV2</a>
<a href="#">College Algebra Math1112 Pre-requisite Review</a>	<a href="#">XL00-X109-601Y-5EV2</a>
<a href="#">Trigonometry Math 1115 Pre-requisite Review</a>	<a href="#">XL00-X1NV-501Y-2EW2</a>
<a href="#">Calculus I Math 1190 Pre-requisite Review</a>	<a href="#">XL00-X10I-701Y-5EW2</a>
<a href="#">Review of Pre-calculus &amp; Calculus Topics</a>	<a href="#">XL00-X10N-801Y-0EW2</a>

Note: Characters with a slash are the numeral zero and without are the letter “O.” If the correct course does not appear, change it to the other character.
