

School Announcement Script

Please announce as often as possible in the weeks leading up to College Application Week:

Our school has been selected to participate in the state's first-ever College Application Week! November 15 through 19, we will host several exciting activities to help our students plan for and apply to college.

All of our students can participate in some of the activities, but seniors will get extra help completing applications and exploring their options for education and training beyond high school.

We will be competing with other schools throughout the state to see which school can get the highest percentage of the senior class to complete and submit at least two college applications during the week.

Seniors who submit two applications and complete a questionnaire will be entered to win prizes, like gift cards and college gear.

And students from the school with the most seniors participating will get to audition for a new statewide advertising campaign! If we win — the Hollywood-style launch party for the campaign will be held at our school!

To get ready for College Application Week, visit www.cfwv.com to start exploring colleges and degree programs.
