

## GEAR UP / Project PREPARE PARENT SURVEY

*Parents – please complete this survey to help us with our program.*

Over the last six years with a federal GEAR UP grant, Project PREPARE has brought services to Bellflower Middle/High School to help students be prepared for admission to college. This includes AVID classes, MESA, college tutors, the Parent Institute, Marine Science Institute, professional development for teachers, academic counseling and more. Through the program we hope your son or daughter has been encouraged to take courses that prepare them for college and that you have obtained information on ways to pay for college.

As part of the program, we must ask parents to complete a short survey. Please answer the questions below by bubbling in your answer. Ask your student to return the form to the teacher

*Thank you!*
