

MARKETING CONCENTRATION

BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION

OVERVIEW OF THE PROGRAM:

The Bachelor of Science (B.S.) in Business Administration with a Marketing concentration provides student's knowledge and skills to prepare them for marketing-oriented careers in a wide range of organizations and industries. The program focuses on teaching and developing skills related to key marketing activities, such as sales, sales management, segmenting, targeting, pricing, promoting, distribution, social media content, marketing research and marketing management. Courses build student understanding of the ethical, legal, social, environmental, technological and global context within which marketing strategies are developed and executed. This program develops marketing skills that are needed in all marketing-oriented organizations. The Business Administration degree is Accredited by the Accreditation Council for Business Schools & Programs (ACBSP).

EMPLOYMENT OPPORTUNITIES:

Students completing the B.S. in Business Administration with a Marketing concentration will be able to compete for positions as sales representative, sales managers, account managers, creative directors, social media content managers, advertising managers, fundraising managers, marketing directors, brand managers, and product managers to name a few.

“Students concentrating in marketing will find a wide variety of exciting career opportunities when they graduate. The skills and knowledge that students gain in class gives them the ability to compete in today’s dynamic job market.”
