

Faculty Senate Expedited Curriculum Proposal Form

Use this form if you would like to expedite a curriculum proposal through Senate. This form only affects the process of a curriculum proposal through Faculty Senate; it does not affect the Curriculum Committee or the Provost's office in any way. The Executive Committee of Senate will make a determination as to whether the curriculum proposal should be classified as a minor item, requiring only one reading.

Only senators, department chairs, deans, and members of the Provost's office may submit this form.

You need to state the reason why you would like the process expedited. **Note that new programs will not be expedited**--a full two readings will be required.
