Re: Discontinuation of MATH 2510; Addition of MATH 2545

As part of the recent curriculum updates in the College of Science and Technology, Mathematics B.S. program (proposal #25-26-12):

- MATH 2510 (Mathematical Logic) is being discontinued and
- MATH 2545 (Mathematical Modeling) is being added to the list of Group B electives.

Accordingly,

MATH 2510 will be removed from:

- Mathematics Grades 5-adult Teaching Specialization (Group B Electives)
- Computer Science, B.S. (Major Electives)

MATH 2545 will be added to:

- Mathematics Grades 5-adult Teaching Specialization (Group B Electives)
- Computer Science, B.S. (Major Electives)
