

## Grant Opportunities and Updates

FAIRMONT STATE  
UNIVERSITY™

Office of Sponsored Programs

November 6, 2025

## GRANT AND FUNDING OPPORTUNITIES

For Faculty and Staff

### FEATURED OPPORTUNITY

## The Convention & Visitors Bureau of Marion County, Inc. Event Grant

**The Event Grant** supports the Convention & Visitors Bureau (CVB) of Marion County's efforts to maximize tourism opportunities for Marion County, West Virginia. The CVB reserves a portion of its advertising budget to assist fair, festival, and event planners in bolstering efforts to increase

their visitor attendance. Funding can be used for events that have significant potential to bring visitors to Marion County.

Proposals are due **January 31, 2025** and the Event Grant will cover **up to \$5,000** of event-related expenses. There will be a future cycle of the Event Grant due **July 31, 2026**, if a later application is preferred.

## NEW NOTICES

# Community Development

### **Brooks and Joan Fortune Family Foundation: Foundation Grants**

Posted: November 6, 2025

The Brooks and Joan Fortune Family Foundation supports programs in education, the arts, and community outreach, with an emphasis on projects that achieve clear, tangible outcomes. The Foundation favors funding specific initiatives rather than general operating support or fundraising efforts.

**Proposals Due:** December 31, 2025

**Funding Range:** \$1,000 to \$82,000

[Click here](#) for more information on application guidelines.

### **Ester & Harold Mertz Foundation: Foundation Grants**

Posted: November 6, 2025

This program supports educational, recreational, medical, and faith-based initiatives in communities that are underserved. Project examples include the following:

- Educational--to improve programming and curriculum; to expand programming by purchasing equipment or upgrading facilities; to make scholarships available to schools
- Recreational--to support recreational, athletic, or music-related organizations that run year-round or summer programs
- Medical--to improve medical services in communities lacking adequate medical resources through the purchase of equipment, the funding of programs/clinics, or the establishment of facilities
- Faith-Based--to support faith-based programs centered on providing help for all aspects of wellness, including spiritual, emotional, intellectual, vocational, environmental, social and physical

**Proposals Due:** Unspecified

**Funding Range:** Rolling

---

### **T-Mobile: Hometown Grants**

Posted: November 6, 2025

This program provides funding to build, rebuild, or refresh community spaces in small towns and villages across the U.S. This program funds projects that foster local connections, like technology upgrades, art and community centers, historic buildings, parks and trails, and other public spaces. Grants prioritize shovel-ready projects that can be completed within 12 months.

**Proposals Due:** Unspecified

**Funding Range:** Up to \$50,000

## **Environment**

---

### **Earth Rising Foundation: Foundation Grants**

Posted: November 6, 2025

The Earth Rising Foundation funds U.S.-based organizations and groups working to raise awareness and drive action on the climate crisis. Priority is given to projects amplifying Indigenous voices, advancing regenerative agriculture, exploring climate intersections with social justice, fostering sustainable visions, and promoting youth activism.

**Proposals Due:** December 31, 2025

**Funding Range:** \$2,500 to \$40,000

## **Health & Nursing**

---

### **Klingenstein Philanthropies: Transformation of Mental Health Care Program**

Posted: November 6, 2025

This program seeks applications from academic investigators who are conducting research to demonstrate the benefits of novel ways to access or deliver mental health care or prevention approaches that can be implemented at scale. This application is specifically for high quality research that builds upon promising pilot work, adapts interventions for future scaling using established principles from community participatory approaches and implementation science frameworks, and has the potential to lead to a larger demonstration project. Project options include but are not limited to the following:

- Testing new models of care delivery
- Adapting and testing to deliver care in atypical settings
- Testing scalable digital approaches
- Approaches that help parents access care for their children

**Proposals Due:** December 15, 2025

**Funding Range:** \$100,000

[Click here](#) for more information on application guidelines.

---

### **American College of Sports Medicine: Drinkwater Leadership Award in Women's Health, Sport, & Physical Activity**

Posted: November 6, 2025

This award celebrates a mid-career woman who demonstrates exceptional leadership in the area of women's health, sport, and physical activity--to include research focused on women, clinical care of women, or other work focused primarily on women.

**Proposals Due:** April 4, 2025

**Funding Range:** \$5,000

[Click here](#) for more information on application guidelines.

---

## **Humanities**

---

### **National Endowment for the Humanities: Rediscovering Our Revolutionary Tradition**

Posted: November 6, 2025

This program seeks to preserve and improve access to primary source materials that document the history of America's founding era and of American government in federal, state, and local contexts. Supported activities include conservation treatment and rehousing, digitization and description, transcription and translation, and updating existing digital resources to ensure long-term public availability.

**Proposals Due:** January 15, 2026

**Funding Range:** Up to \$750,000

## **STEM**

---

### **Department of Energy: FY 2026 Continuation of Solicitation for the Office of Science Financial Assistance Program**

Posted: November 6, 2025

This program is interested in receiving applications for support of work in the following program areas: Advanced Scientific Computing Research, Basic Energy Sciences, Biological and Environmental Research, Fusion Energy Sciences, High Energy Physics, Nuclear Physics, and Isotope R&D and Production.

**Proposals Due:** Rolling September 30, 2026

**Funding Range:** \$50,000 to \$5,000,000

[Click here](#) for more information on application guidelines.

---

### **National Science Foundation: NSF National Innovation Corps Teams (NSF National I-Corps™ Teams) Program**

Posted: November 6, 2025

The goals of this program is to spur translation or foundational research to the marketplace, to encourage collaboration between academia and industry, and to train NSF-funded faculty, students, and other researchers in innovation and entrepreneurship skills. The purpose of this program is to provide NSF-funded researchers additional support in the form of entrepreneurial education, mentoring, and funding to accelerate the translation of knowledge derived from foundational research into emerging products, processes, and services that may attract subsequent third-party funding.

**Proposals Due:** Rolling

**Funding Range:** At least \$50,000
