- Classes for the RBA program begin on page 14.
- The Course ID will not match the RBAS courses at Fairmont State. You'll be searching for classes by Course Name instead.
- To be considered upper-division level, a class must be posted as RBAS 3300—or RBAS 44— on the Fairmont State schedule.
- Each student is responsible for locating and purchasing the required textbooks.
- Textbooks required for WVROCKS/RBAS classes are not available in the Fairmont State University Bookstore.
