# Construction Updates

Contractors are continuing to work on renovations and upgrades on campus. For more information please check out the weekly updates at <http://www.fairmontstate.edu/adminfiscalaffairs/physical-plant/construction-projects> or <http://www.pierpont.edu/adminfiscalaffairs/physical-plant/construction-projects>

## Hardway Renovations

Hardway Hall renovations wrapped up at the end of March. Things were cleaned up and ready to get back to normal. The building received new doors and glass display cases for the main level. The contractors followed up with small projects to get the building in compliance with requests from the Fire Marshal.

## Lighting Projects

As a part of energy saving initiatives, lighting across campus is being updated. Lights will be replaced campus wide along with Falcon Gym 1, Falcon Gym 2 and the Weight Room. The new LED lights will product 30% more light and use 60% less energy.

# Reduce - Reuse - Recycle

Americans use 4 million plastic bottles every hour!

Yet only 1 bottle out of 4 is recycled.

## Happy Birthday!

July 20—Linda Mackey  
 August 8—Brenda Johnson  
 August 9—Bart Bland  
 August 11—Teresa Palmer  
 August 14—Tom Willard

As you look around campus you will see many wonderful things. The beautiful flower beds, litter free facilities, fresh paint, new lighting, and other projects taking place. Just know that the men and women of the Physical Plant have been working extremely hard to make this possible for you. We hope it puts a smile on your face and makes you proud to be part of the Fairmont State and Pierpont community.
