# Construction Updates

Contractors are continuing to work on renovations and upgrades on campus. For more information please check out the weekly updates at <http://www.fairmontstate.edu/adminfiscalaffairs/physical-plant/construction-projects> or <http://www.pierpont.edu/adminfiscalaffairs/physical-plant/construction-projects>

Our Clarksburg Caperton Center received a new boiler system. A temporary boiler was placed to keep the building heated. The project finished up in January.

RCB Aviation Center had a few projects completed during the winter season. The building received a new gutter system. HVAC units were also replaced in the building.

There will be projects to look forward to in the spring. The College Park replacement project will be getting underway. Temporary parking has been created at the Tennis Courts for use during the project.

# Reduce - Reuse - Recycle

The average person generates over 4 pounds of trash every day and about 1.5

As you look around campus you will see many wonderful things. The beautiful flower beds, litter free facilities, fresh paint, new lighting, and other projects taking place. Just know that the men and women of the Physical Plant have been working extremely hard to make this possible for you. We hope it puts a smile on your face and makes you proud to be part of the Fairmont State and Pierpont community.
