The Physical Plant will be doing a lot of projects over the summer. Some of these include renovations of the elevators in Hunt Haught Hall and Wallman Hall, construction in the Feaster center and other work to help keep improving campus.

Turley Center Success

The Turley Center renovations are coming along. The contractors have been working on the building diligently. Concrete projects, restroom plumbing plus heating and cooling units have been priorities. The estimated open date is July 1st.

There are different methods of waste collection. These include drop off centers (where waste materials are dropped off at a specified location), buy back centers (where certain materials are exchanged for money), and curbside collection (where recycling vehicles are used to pick up waste material intended for recycling along residential streets).

Wallman Hall Upgrades

Wallman Hall mechanical and electrical upgrades are being continued.

Equipment is scheduled for May 31st. The contract took a much needed break over the Memorial Day weekend. Final completion is scheduled for June 3rd.

Hardway Hall Renovation

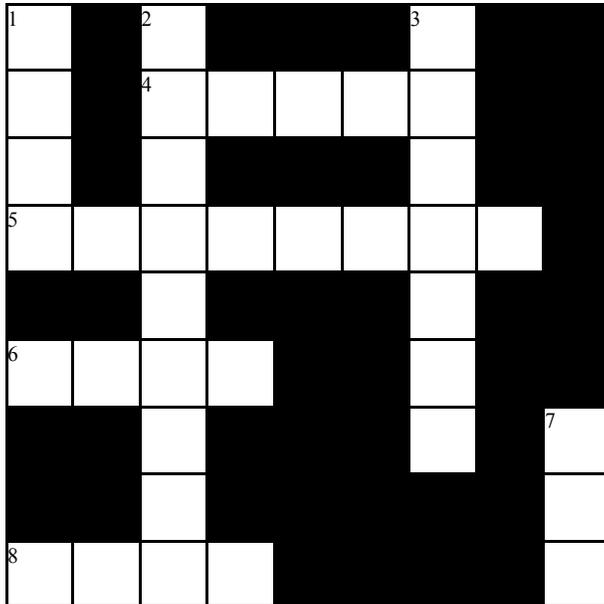

The Hardway Hall project is underway. Individuals and departments have been moved into swing space as the process begins. These moves will continue until everyone is back in their space. The power switch for the building will be May 31st. The new transform will be up and running when we return from our holiday.

Reduce - Reuse - Recycle

Different types of plastics are labeled by numbers (plastic identification code), for example polyethylene (PET) is number 1 and polyvinyl chloride (PVC) is number 3.

Down

1. section of a building that is served by one heating or cooling loop
2. a [diagram](#), plan or drawing
3. to make over
7. A formal offer by a contractor

Across

4. a device for lifting and moving heavy weights in suspension
5. any of various mechanical devices for raising objects or materials
6. heat, ventilation, and air conditioning
8. the [heating system](#)

Happy
Anniversary!

June 8—Gary Wright
July 8—Linda Ogden
August 6—Jeff Hamrick
August 7—Lonnie Uphold
August 21—Dave Glasscock

Happy
Birthday!

July 4—Gary Osburn
July 20—Linda Mackey
August 8—Brenda Johnson
August 9—Bart Bland
August 11—Teresa Palmer
August 14—Tom Willard
August 18—Gary Wright

As you look around campus you will see many wonderful things. The beautiful flower beds, litter free facilities, fresh paint, new lighting, and other projects taking place. Just know that the men and women of the Physical Plant have been working extremely hard to make this possible for you. We hope it puts a smile on your face and makes you proud to be part of the Fairmont State and Pierpont community.
