Tis' The Season

We held our annual Holiday Dinner in mid December. Everyone enjoyed a great meal and wonderful fellowship. There was a variety of drawings and party games. This was the second year for our Ugliest Sweater contest. We now have a two time champion. Terry Rinehart swept the competition up with his lime green sweater with festive décor.

Helping Hand

I would like to Thank Sunshine Wiles for sending us this picture. Jamie Colanero is out helping his fellow employees. Making their Friday evening on a snowy day so much easier.

Dress an Angel

Keeping with tradition the employees adopted three Angels from the local Salvation Army program. We purchased coats, socks, shoes, clothing and toys for each child.

Dynamite Delivery

As many of you know, we have a new face at the Physical Plant. Bob Hostuttler was welcomed to the team on December 1st, 2012. You will see Bob's smiling face all over campus delivering packages, picking up mail, distributing supplies and all of his other daily duties. If you haven't had the chance to say hello, please take a few and welcome him to campus.

Reduse - Reuse - Recycle

Turning off the tap while brushing your teeth in the morning and before bedtimes can save up to 8 gallons per day. This is a savings of 240 gallons per month.

Happy Birthday!

As you look around campus you will see many wonderful things. The beautiful flower beds, litter free facilities, fresh paint, new lighting, and other projects taking place. Just know that the men and women of the Physical Plant have been working extremely hard to make this possible for you. We hope it puts a smile on your face and makes you proud to be part of the Fairmont State and Pierpont community.
