

Immunization Exemption Request for Virtual Learners

If you attend Fairmont State University in an all-virtual capacity, you may qualify for an exemption from the immunization requirements by completing this form and submitting it to Student Health Services at studenthealth@fairmontstate.edu at least fourteen (14) calendar days prior to the start of classes.

Please note that non-medical immunization exemptions have been associated with an increased occurrence of vaccine-preventable disease outbreaks originating in and spreading through schools. By completing and submitting this form, you acknowledge that you will not be permitted on Fairmont State University's campus at any point during your time as a student, unless you request an exemption revocation and provide the proper immunization information.
