Dear Residence Hall Students,

We have updated our housing terms and conditions for Fall 20/Spring 21. Please take a moment to log back into your housing application and review our updated terms and conditions for this academic year. **You will need to check the box under the housing agreement and sign with your student number signature.** We have made important additions related to COVID-19 and Residence Hall safety policies.

On Move-In Day, students will be required to review a short addendum and acknowledge that you understand the inherent elevated risk associated with living in a community environment, and your shared obligation to prioritize health and safety for the benefit of the entire community.

In order to sign this addendum and the new contract, you will need to access your housing application. You can find the updated terms and conditions by clicking on the "Contract" tab in your housing application. A copy of the addendum is attached to this communication for your review. There is nothing that you need to do at this time with the addendum.

Please let us know if you have any questions.
