☐ PRE-TAX PAYROLL DEDUCTION

BENEFIT OF PRE-TAX PAYROLL DEDUCTION: The pre-tax payroll deduction allows employers to deduct parking fees from employees’ income before taxes are deducted. This means you won’t pay federal income, West Virginia state income or social security tax on the portion of your income that covers the cost of parking.

PLEASE NOTE INTERNAL REVENUE SERVICE REGULATION: Once amounts are deducted from pay under a salary reduction election, they are not refundable to the employee.

☐ POST-TAX PAYROLL DEDUCTION
