--------------------	----------------	-------------------------------------

If your student missed their opportunity to become eligible for a \$2,000 renewable SOAR Scholarship during one of our Virtual SOAR Events this spring, by popular demand, we are extending this opportunity to first-time freshman students who attend today's Welcome Wednesday orientation session. The SOAR Scholarship is awarded at \$500 per year, and is renewable for all four years for a total award of \$2,000.
