Short Term Disability Insurance

Schedule Amount: 60% of *weekly pay*, rounded to the next higher multiple of \$1.00, if not already an exact multiple, subject to a maximum Schedule Amount of \$1,000 per week.

For each day of a period less than a full week, the Schedule Amount will be 1/7th of the amount determined above.

Weekly pay means your basic weekly rate of pay from the *policyholder* or an *associated company* and is determined on the determination date (defined below) occurring on or before the *period of disability* starts. Bonuses, overtime, and other compensation not considered by us as basic wages or salary are not included. If you are an hourly employee, *weekly pay* will be based on your hourly rate of pay, but not on more than 40 hours per week.

For *covered persons* who are paid on less than a 52-week basis, *weekly pay* means:

- for that part of the *period of disability* before the start of the next school year, the amount of *weekly pay* you would have been entitled to receive from the *policyholder* for that week if you had not become *disabled*, and
- for that part of a *period of disability* after the start of the next school year, 1/52nd of the amount of annual pay you received or would have received from the *policyholder* for the school year in which the *period of disability* started.

The first determination date is your effective date of insurance. After that the determination date is the first day of each month occurring after you become insured under the *policy*.

SCHEDULE (continued)

Minimum Benefit: If you normally work at least 30 hours per week before your *period of disability* starts, the minimum weekly benefit will be \$25. For any part of a *period of disability* less than a full week, the Minimum Benefit is 1/7th of \$25 for each day of *disability* after the *qualifying period* ends.

The Minimum Benefit will not be payable to a *covered person* paid on less than a 12-month basis during a summer recess:

- in which the person became *disabled*; or
- that follows the school year in which the person became *disabled*.

Qualifying Period:

For *disability* due to accident, sickness, or pregnancy – 7 consecutive days.

Any week in which you receive or are due any *weekly pay* from the *policyholder* during any *period of disability*, will be a week for which benefits accrue under the *policy*.

Active work means the expenditure of time and energy for the *policyholder* or an *associated company* at your usual place of business on a *full-time* basis.

Associated company means any company shown in the *policy* which is owned by or affiliated with the *policyholder*.

Contributory means you pay part of the premium.

Covered person means an eligible employee or member of the *policyholder*, or an *associated company* who has become insured for a coverage.

Doctor means a person acting within the scope of his or her license to practice medicine, prescribe drugs or perform surgery. Also, a person whom we are required to recognize as a *doctor* by the laws or regulations of the governing jurisdiction, or a person who is legally licensed to practice psychiatry, psychology or psychotherapy and whose primary work activities involve the care of patients, is a *doctor*. However, neither you nor a *family member* will be considered a *doctor*.

Eligible class means a class of persons eligible for insurance under the *policy*. This class is based on employment or membership in a group.

Family member means a person who is a parent, spouse, child, sibling, domestic partner, grandparent or grandchild of the *covered person*.

Full-time means working at least 30 hours per week, unless indicated otherwise in the *policy*.

Home office means our office in Kansas City, Missouri.

Injury means accidental bodily injury. It does not mean intentionally self-inflicted injury while sane or insane.

No-fault motor vehicle coverage means a motor vehicle plan that pays disability or medical benefits without considering who was at fault in any accident that occurs.

Noncontributory means the *policyholder* pays the premium.

Policy means the group policy issued by us to the *policyholder* that describes the benefits for which you may be eligible.

Policyholder means the entity to whom the *policy* is issued.

Proof of good health means evidence acceptable to us of the good health of a person.

We, us, and our mean Union Security Insurance Company.

You and your mean an eligible employee or member of the *policyholder* or an *associated company* who has become insured for a coverage.

DEFINITIONS FOR SHORT TERM DISABILITY INSURANCE

Accommodation expense means the costs your employer incurs to accommodate your *disability*, as required by the Americans with Disabilities Act or similar legislation. It also means costs you incur for tools, equipment, furniture, computer software, or other items necessary for you to return to work. The amount of the *accommodation expense* will be limited to \$3,000 for each *period of disability*.

Disability or disabled means that in a particular week, you satisfy either the Occupation Test or the Earnings Test, as described below. You may satisfy both the Occupation Test and Earnings Test, but you need only satisfy one Test to be considered *disabled*.

Occupation Test

An *injury*, sickness, or pregnancy requires that you be under the *regular care and attendance* of a *doctor*, and prevents you from performing at least one of the *material duties* of your *regular occupation*.

Earnings Test

You may be considered *disabled* in any week in which you are actually working, if an *injury*, sickness, or pregnancy, whether past or present, prevents you from earning more than 80% of your *weekly pay* in that week in any *occupation* for which your education, training or experience qualifies you.

If your actual earnings during any week are more than 80% of your *weekly pay*, you will not be considered *disabled* under the Earnings Test during that week. Salary, wages, partnership or proprietorship draw, commissions, bonuses, or similar pay, and any other income you receive or are entitled to receive will be included. However, sick pay and salary continuance for periods not at work will not be included. Any lump sum payment will be pro-rated, based on the time over which it accrued or the period for which it was paid.

You may still be considered *disabled* according to the Occupation Test, without regard to your level of current earnings, if you meet the requirements of that Test.

If you meet the Earnings Test, *full-time* work in which you are performing all of the *material duties* of your *regular occupation* or some other *occupation* will not interrupt the *qualifying period* or the *period of disability*. If you meet the Occupation Test only, work on less than a *full-time* basis or work in which you are not doing all of the *material duties* of your *regular occupation*, will not interrupt the *qualifying period* or the *period of disability*.

Education expense means, in your *rehabilitation plan*, the reasonable costs you incur which are required for your education or training to return to work. These costs may include the cost of tuition, books, computers, and other equipment.

Family care expense means the amount you spend for care of a family member in order for you to work or be retrained under a *rehabilitation plan*. To qualify:

- your family member must be under age 13, or be physically or mentally incapable of caring for him or herself;
- your family member must be dependent on you for support and maintenance; and
- the person who cares for your family member cannot be a relative.

DEFINITIONS FOR SHORT TERM DISABILITY INSURANCE (continued)

Not more than \$80 per family member per week will be included. A pro-rated amount will apply to any period shorter than a week.

Government plan means the United States Social Security Act, the Railroad Retirement Act, the Canadian Pension Plan, similar plans provided under the laws of other nations, and any plan provided under the laws of a state, province, or other political subdivision. It also includes any public employee retirement plan or any teachers' employment retirement plan, or any plan provided as an alternative to any of the above acts or plans. It does not include any Workers' Compensation Act or similar law, or the Maritime Doctrine of Maintenance, Wages, or Cure.

Material duties means the sets of tasks or skills required generally by employers from those engaged in an *occupation*. One *material duty* of your *regular occupation* is the ability to work for an employer on a *full-time* basis as defined in the *policy*.

Medical expense means the reasonable costs you incur for medical treatment, physical therapy, and adaptive equipment necessary for your vocational rehabilitation, in excess of amounts paid or payable by third parties and any amounts under a policy of major medical coverage.

Moving expense means the costs you incur to move more than 35 miles so that you can attend school or accept gainful work.

Occupation means a group of jobs or related jobs:

- in which a common set of tasks is performed; or
- which are related in terms of similar objectives and methodologies, and which may be related in terms of materials, products, worker actions, or worker characteristics.

Other plan means any group disability plan sponsored by your employer, the *policyholder*, or an *associated company*, except the one provided under the *policy*.

Period of disability means the time that begins on the day you become *disabled* and ends on the day before you return to *active work*. If you satisfy the *qualifying period* and then:

- return to *active work*;
- become *disabled* again; and
- remain insured under the *policy*;

the same *period of disability* may continue. Your return to *active work* must be for less than:

- 4 weeks, if the later *disability* results from the same cause, or a related one; or
- 1 day, if the later *disability* results from a different cause.

If your return to *active work* meets either of the above conditions, you do not have to satisfy the *qualifying period* again. The Maximum Benefit Period will continue on the day you become *disabled* again.

If you return to *active work* for more than the time shown above, and then become *disabled* again, you will start a new *period of disability*. You must satisfy the *qualifying period* again and the Maximum Benefit Period will start over.

Any day which is not a scheduled working day for a *covered person* will be considered a day of *active work* if the person would have been able to perform his or her normal duties on that day.

DEFINITIONS FOR SHORT TERM DISABILITY INSURANCE (continued)

Qualifying period means the length of time during a *period of disability* that you must be *disabled* before benefits are payable under the Date Benefits Start provision. If you satisfy the Earnings Test during the entire *qualifying period*, the Maximum Interruption During Qualifying Period in the Schedule will not apply. If application of the Occupation Test and the Maximum Interruption During Qualifying Period would result in an earlier entitlement to benefits, we will apply those provisions instead of the Earnings Test. In satisfying the Occupation Test, if you:

- return to *active work* during the *qualifying period* for no more than the maximum shown in the Schedule;
- remain insured under the *policy*; and
- become *disabled* again for the same cause or one related to it;

you will not have to satisfy again the part of the *qualifying period* that you have already fulfilled.

In any case, you cannot satisfy any part of the *qualifying period* by any *period of disability* that results from a cause for which we do not pay benefits.

Any days of *active work* (including weekends in between) will not count in satisfying the *qualifying period*.

Regular care and attendance means care at a frequency medically appropriate for your condition. If your condition does not require frequent visits to your *doctor*, neither will we.

Regular occupation means the *occupation* in which you were working immediately prior to becoming *disabled*.

Retirement plan means a formal or informal retirement plan, whether or not under an insurance or annuity contract. It does not include:

- a plan you pay for entirely;
- a qualified profit-sharing plan;
- a thrift plan;
- an individual retirement account (IRA);
- a tax sheltered annuity (TSA);
- a stock ownership plan;
- a *government plan*; or
- a plan that qualifies under Internal Revenue Service Code 401(k).

SSA representatives are persons or organizations which specialize in assisting people to obtain disability benefits under the United States Social Security Act. If you appoint an *SSA representative*, and they agree you are a good candidate, they will help you pursue your Social Security claim.

Short term disability insurance means the group short term disability insurance under the *policy* issued by us to the *policyholder*.

ELIGIBILITY AND TERMINATION PROVISIONS

Exception to Effective Date

If you are not at *active work* on the day you would otherwise become insured, your insurance will not take effect until you return to *active work*. If the day your insurance would normally take effect is not a regular work day for you, your insurance will take effect on that day if you are able to do your regular job.

When Your Insurance Ends

Your insurance will end on the date:

- the *policy* ends;
- the *policy* is changed to end the insurance for your *eligible class*;
- you are no longer in an *eligible class*;
- you stop *active work*; however, if you renew your contract with the *policyholder* for the next school year, the *policyholder* may consider insurance to continue even though you stop *active work* during the summer recess; or
- a required contribution was not paid.

CONTINUITY OF COVERAGE

Definitions

Prior plan means the *policyholder's* plan of group short term disability insurance, if any, under which you were insured on the day before the Effective Date of the *policy*.

Prior plan benefits mean the benefits, if any, that would have been paid to you under the *prior plan* had it remained in effect, and had you continued to be insured under the *prior plan*.

Continuity of Coverage

We will provide continuity of coverage if you were covered under the *prior plan*.

If you are not at *active work* on the Effective Date of the *policy* due to a disability, you are not eligible to become insured under the *policy*. However, we will cover you for the *prior plan benefits* until the earlier of:

- the date you return to *active work*; or
- the end of any period of continuance or extension of the *prior plan*.

If you are not at *active work* on the Effective Date of the *policy* due to a reason other than a disability, and would otherwise be eligible to become insured under the *policy*, we will cover you for the *prior plan benefits* until the earlier of:

- the date you return to *active work*;
- the end of any period of continuance of the *prior plan*; or
- the date coverage ends, according to the provision of the policy.

Any benefits payable under the conditions described above will be paid by us:

- as if the *prior plan* had remained in effect; and
- will be reduced by any benefits paid or payable by the *prior plan*.

If you are at *active work* on the Effective Date of the *policy*, you will be insured under the *policy*.

Prior Plan Credit for Short Term Disability Insurance

The definition of *period of disability* describes the conditions that must be met for two or more disabilities to be considered as having occurred during one *period of disability*. This allows you to avoid having to satisfy a separate *qualifying period* for each disability. If you received benefits under the *prior plan*, and become *disabled* again while insured under the *policy*, we will apply this definition just as though the *policy* had been in effect since the date you first became *disabled*.

If we accept a copy of the enrollment card you submitted under the *prior plan*, time insured under the *prior plan* will be credited toward the time-insured requirement shown in the Incontestability section of the Claim Provisions.

SHORT TERM DISABILITY INSURANCE

Insurance Provided

If you become *disabled* while insured under the *policy*, we will pay short term disability benefits if you satisfy the *qualifying period*. We will continue to pay benefits during your *disability*, but not beyond the Maximum Benefit Period. Any benefits are subject to the provisions of the *policy*.

Amount of Benefit

The amount of benefit we will pay is the Schedule Amount minus the Offset Amount. However, if the Schedule Amount plus the amount of benefits and payments from Other Sources is more than 70% of your *weekly pay*, your benefit will be further reduced by the excess.

Offset Amount

If you are eligible for any of the following benefits, the total of all weekly benefits plus the pro-rated amount of any lump sum payments will be subtracted from the Schedule Amount:

- If you are eligible to receive any salary, wages, partnership or proprietorship draw, commissions, or similar pay from any work you do, or any payments from a formal or informal salary continuance or sick leave plan sponsored by your employer, the *policyholder*, or an *associated company*, we will not consider such income or payments as long as the sum of:
 - the income described above,
 - the Schedule Amount, and
 - benefits from any source described in Other Sources,is not more than 100% of your *weekly pay*. If the sum is more than 100% of your *weekly pay*, we will subtract the amount over 100% from the Schedule Amount when determining your benefit under the *policy*.
- group disability benefits from any *other plan*.
- disability benefits from the United States Social Security Act, including dependent benefits, payable because of your *injury*, sickness, or pregnancy.
- disability benefits from a *government plan*, except Social Security.
- retirement benefits, disability benefits, or similar benefits (not including your contributions) from a *retirement plan* sponsored by your employer, the *policyholder*, or an *associated company*.

Retirement benefits from a *retirement plan* or a *government plan* will be included only if you choose to receive them.

- retirement benefits from a *government plan*
- retirement benefits from the United States Social Security Act unless your *disability* begins after age 65 and you were already receiving such retirement benefits.

SHORT TERM DISABILITY INSURANCE (continued)

Other Sources

- any group disability insurance contract, except one sponsored by your employer, the *policyholder*, or an *associated company*.
- any *no-fault motor vehicle coverage*, unless:
 - state law or regulation does not allow group disability benefits to be reduced by benefits from *no-fault motor vehicle coverage*; or
 - the *no-fault motor vehicle coverage* determines its benefits after benefits have been paid under the *policy*; or
 - the benefits are provided under optional coverage.

Estimate of Benefits

If you:

- are eligible for benefits from any of the above sources; or
- would be paid such benefits if you had applied for them or had applied for them on time;

we will figure your weekly benefit as though you are receiving these other benefits, even if you are not.

We will:

- estimate the amount of your retirement benefit; and
- offset that amount as described above;

only if we have reason to believe you are actually receiving these benefits but we have not received proof of the amount, the effective date, or the portion to be offset.

We will:

- estimate the amount of your Social Security benefit; and
- offset that amount as described above;

until we receive notice of a denial of such benefits at the first level of appeal after an initial denial.

Social Security Assistance

Your claim for Social Security disability benefits may be denied up to the reconsideration level. If it is, we will have it reviewed by an *SSA representative*, at your request.

If we consider you a good candidate, we will start this process. We will give you a list of *SSA representatives*. If you choose from this list, we will pay their fee.

Whether you use our help or not, we will reimburse you for the fee charged you by your *SSA representative*. You must become entitled to Social Security disability benefits while eligible for benefits under our *policy*. Our reimbursement is limited to the fee approved by the Social Security Administration. We may reduce any overpayment calculated in our claim.

SHORT TERM DISABILITY INSURANCE (continued)

Adjustment of Benefits

If we find that the amount of benefits from any source should be different from the amount we used to figure your weekly benefit, we will adjust it.

If we paid you less than we should have, we will pay you the difference.

If we paid you more than we should have, you must pay us the difference. We may reduce your benefit or stop paying benefits until the overpayment is recovered. If we reduce your benefit, or stop paying benefits, the Minimum Benefit will not be payable.

Lump Sum Benefit

If you receive benefits from any source in a lump sum, we will pro-rate it over the time in which it accrued, based on information from the source of the payment. If we do not receive all the information we need, we will pro-rate the payment according to its nature and purpose.

Benefit Freeze

We will not reduce your weekly benefit further if the amount of benefits from any source, other than the *policy*, changes because of a cost of living increase that occurs automatically or by law after you satisfy the *qualifying period*.

Exclusions

We will not pay benefits for any time you are confined to any facility because you were convicted of a crime or public offense.

We will not pay benefits for any part of a *period of disability* during which you are receiving benefits under any Workers' Compensation Act (or a similar law) or the Maritime Doctrine of Maintenance, Wages or Cure.

We will not pay benefits for any *disability* caused by:

- war or any act of war, whether declared or not;
- intentionally self-inflicted injury, while sane or insane;
- taking part in or the result of taking part in committing an assault or felony;
- an *injury* or sickness that arises out of or occurs in the course of any *occupation* or employment for pay or profit;
- an *injury* or sickness that entitles you to benefits or to any amount received in a settlement or compromise of your rights, under any Workers' Compensation Act (or similar law).

We will not pay benefits if:

SHORT TERM DISABILITY INSURANCE (continued)

- your employer, the *policyholder*, or an *associated company* has offered you the opportunity to return to limited work while you are *disabled*;
- you are functionally capable of performing the limited work which is offered; and
- you do not return to work when and as scheduled.

Benefits will end as of the date you were first scheduled to return to work. Subject to the terms of the *policy*, benefits will recommence on the earlier of the date you return to such work, if you remain *disabled*, or the date your *disability* worsens so that you are no longer capable of such work.

Extended Benefit

If you are *disabled* on the day your *short term disability insurance* ends, and if you remain *disabled* long enough to qualify, we will pay benefits according to the *policy*.

CLAIM PROVISIONS

Payment of Benefits

We will pay benefits at the end of each month (or shorter period) for which we are liable, after we receive the required proof. If any amount is unpaid when *disability* ends, we will pay it when we receive the required proof.

To Whom Payable

We will pay all benefits to you. However, if medical evidence indicates that a legal guardian should be appointed, we will hold further benefits due until such time as a guardian of your estate is appointed and we will pay benefits to such guardian at that time. If any amount remains unpaid when you die, we will pay your estate.

Authority

The *policyholder* delegates to us and agrees that we have the sole discretionary authority to determine eligibility for participation or benefits and to interpret the terms of the *policy*. All determinations and interpretations made by us are conclusive and binding on all parties.

Filing a Claim

1. You must send us notice of the claim. We must have written notice of any insured loss within 30 days after it occurs, or as soon as reasonably possible. You can send the notice to our *home office*, to one of our regional group claims offices, or to one of our agents. We need enough information to identify you as a *covered person*.
2. Within 15 days after the date of your notice, we will send you certain claim forms. The forms must be completed and sent to our *home office* or to one of our regional group claims offices. If you do not receive the claim forms within 15 days, we will accept a written description of the exact nature and extent of the loss.
3. The time limit for filing a claim is 90 days after the end of the first month (or shorter period) for which we are liable.
4. To decide our liability, we may require:
 - proof of benefits from other sources, and
 - proof that you have applied for all benefits from other sources, and that you have furnished any proof required to get them.

You must furnish whatever items we decide are necessary as proof of loss or to decide our liability. You must authorize the sources of medical and dental services to release your medical information. If you do not furnish any required information or authorize its release, we will not pay benefits.

If it is not reasonably possible to give proof on time, we will not deny or reduce your claim if you give us proof as soon as reasonably possible.

Right to Examine or Interview

We may ask you to be examined as often as we require at any time we choose. We may require you to be interviewed by our authorized representative. We will pay third party charges for any independent medical exam or interview which we require. If you fail to attend or fully participate, we will not pay benefits.

CLAIM PROVISIONS (continued)

Limit on Legal Action

No action at law or in equity may be brought against the *policy* until at least 60 days after you file proof of loss. No action can be brought after the applicable statute of limitations has expired, but, in any case, not after 3 years from the date of loss.

Review Procedure

You must request, in writing, a review of a denial of your claim within 180 days after you receive notice of denial.

You have the right to review, upon request and free of charge, copies of all documents, records, and other information relevant to your claim for benefits, and you may submit written comments, documents, records and other information relating to your claim for benefits.

We will review your claim after receiving your request and send you a notice of our decision within 45 days after we receive your request, or within 90 days if special circumstances require an extension. We will state the reasons for our decision and refer you to the relevant provisions of the *policy*. We will also advise you of your further appeal rights, if any.

Incontestability

The validity of the *policy* cannot be contested after it has been in force for 2 years, except if premiums are not paid.

Any statement made by the *policyholder* or a *covered person* will be considered a representation. It is not considered a warranty or guarantee. A statement will not be used in a dispute unless it is written and signed, and a copy is given to the *covered person* or the *beneficiary*.

No statement, except fraudulent misstatement, made by a *covered person* about insurability will be used to deny a claim for a loss incurred or *disability* starting after coverage has been in effect for 2 years.

No claim for loss starting 2 or more years after the *covered person's* effective date may be reduced or denied because a disease or physical condition existed before the person's effective date, unless the condition was specifically excluded by a provision in effect on the date of loss.

GENERAL PROVISIONS

Entire Contract

The *policy* and the *policyholder's* application attached to it are the entire contract. Any statement made by you or the *policyholder* is considered a representation. It is not considered a warranty or guarantee. A statement will not be used in a dispute unless it is written and signed, and a copy is given to you.

Errors

An error in keeping records will not cancel insurance that should continue nor continue insurance that should end. We will adjust the premium, if necessary, but not beyond 3 years before the date the error was found. If the premium was overpaid, we will refund the difference. If the premium was underpaid, the difference must be paid to us.

Misstatements

If any information about you or the *policyholder's* plan is misstated or altered after the application is submitted, including information with respect to participation or who pays the premium and under what circumstances, the facts will determine whether insurance is in effect and in what amount. We will retroactively adjust the premium.

Certificates

We will send certificates to the *policyholder* to give to each *covered person*. The certificate will state the insurance to which the person is entitled. It does not change the provisions of the *policy*.

Workers' Compensation

The *policy* is not in place of, and does not affect any state's requirements for coverage by Workers' Compensation insurance.

Agency

Neither the *policyholder*, any employer, any *associated company*, nor any administrator appointed by the foregoing is our agent. We are not liable for any of their acts or omissions.

Fraud

It is unlawful to knowingly provide false, incomplete or misleading facts or information with the intent of defrauding us. An application for insurance or statement of claim containing any materially false or misleading information may lead to reduction, denial or termination of benefits or coverage under the *policy* and recovery of any amounts we have paid.
