Pierpont Community & Technical College's Reception Office is located on the second floor (immediately to the right off the elevator). To access Pierpont Community & Technical College's area, enter Braxton County High School through the main doors and proceed to your left to the elevator or the stairs to the second floor.

Note: Access to the building is secure; therefore you may need to be granted access by pushing the intercom button on the right hand side of the entrance doors (if entrance doors are locked).

Parking Information

Standard Business Hours

(Monday – Friday 7:00 am – 4:00 pm)

- Upon entering the large parking lot at the Braxton County High School, there are 6 visitor parking spaces along the back of the lot closest to the football field. There are another 6 visitor spaces adjacent to the building on the right hand side facing the building (the side of the building closest to Interstate 79).
- Alternate Parking: If the visitor parking spaces are full, parking is available in the paved area commonly referred to as the "Fish Bowl" due to its location in a natural bowl area adjacent to the high school. This area is located off the campus entrance road, on the left-hand side prior to the intersection for the Braxton County Middle School and just past the bus garage area on the right. At the present there are no steps from this parking area up to the high school, so please walk up the entrance road to the high school.
- An overflow gravel parking lot, located directly below the high school, on the east side of Route US-19/WV-4, with access to the school up the hill via a set of stairs is also available. This parking is directly off of Route US-19/WV-4. Therefore, if you are on the high school campus you must exit the campus in order to access this parking.
