**INTERNSHIP/PRACTICUM COURSES:**

1. **Journalism/ JOUR 3343 Journalism Internship**..........................3 hrs.
   This is the capstone course of the journalism major and minor programs. In this course, students are required to perform on-the-job duties during a 100-hour internship, gaining experience in a particular area of journalism, in accordance with the stated goals of the journalism program. Assessment of student achievement of these goals will occur through both a submitted portfolio and the employer’s report on the quality of the intern’s work. Seniors only. Instructor approval required.

2. **Political Science/ POLI 4450 Practicum** .................................1-12 hrs.
   A professional internship with a government or political agency, designed to give students pertinent experience in a particular field of political science. PR: POLI 1103, Instructor approval required.

3. **Occupational Safety/ SFTY 4415 Safety Internship**.........................3 hrs.
   Students shall complete an advisor-approved safety internship. Responsibilities must be in the field of employee safety and/or health. PR: Instructor approval required.

4. **Hospitality Management/ BUSN 4440 Hospitality Management Internship**........3 hrs.
   This internship course is designed as a learning experience which integrates food service and business theory with actual job experience in a hospitality management-related work environment. The student must be enrolled in the four-year Hospitality Management program. The employer is responsible for evaluating and reporting the development of the student. PR: Instructor approval required, with approval of School Dean. Graded Credit/No Credit.

5. **Allied Health Practicum and Seminar/ ALLH 4401**........4 hrs. Writing Intensive
   This capstone course includes both theory and clinical components. Students, in conjunction with their instructor and preceptor, will design an administrative field experience which will culminate in completion of the program’s graduate outcomes. During the practicum experience the students will further develop management and leadership skills while interacting with middle managers in their selected fields and by conducting a change project within their agency. This Writing Intensive course includes journaling, online discussions, research papers, and powerpoint poster presentation. Last semester of program. Spring semester only. PR: ENGL 1108

6. **Aviation Industry Internship/ AVMA 4411**............................3 hrs.
   An aviation industry internship is a real-world learning activity that provides an opportunity for the student to engage in aviation industry activities in an area of concentration that may assist them in their future career development activities. These activities in their major discipline under the guidance of a senior aviation faculty member will develop a program of study that will acquaint
them with industry trends and processes that will be beneficial in their new career plans. The primary goals for this class are to experience the aviation industry on a first hand basis and then shared those experiences in an appropriate venue with their assigned faculty mentor. This class should only be scheduled by juniors or seniors close to graduation after completion of a majority of their core classes. Instructor approval is required and the internship must be scheduled before the start of the semester the student plans to complete the course requirements. Junior or Senior Level attainment.

7. Business Internship BUSN 4450 / ........................................3-6 hrs.
This business internship is designed to provide the business major with supervised work experience in a sponsoring organization. The student is expected to complete a minimum of 200 hours in a meaningful and challenging position. PR: Instructor approval required, with approval of School Dean. Graded Credit/No Credit.

This course allows students to obtain real-world computer security work experience through an internship with either a government agency or local high technology company. PR: COMP 3395 and COMP 3390.

9. Field Practicum/CRJU 4411 ........................................3-12 hrs.
A supervised professional study conducted in the criminal justice field setting. Junior or Senior status and a 2.5 GPA

Provides experience in field practice in public health for one semester under supervision of public health professionals. Spring only.

This course provides a practical experience for junior or senior forensic science majors who are planning on careers in forensic science or related fields. The internship program offers the student an opportunity for observation of practitioners at work, as well as involvement in the day-to-day operation of a forensic science agency. Students participate in guided observation and activities and complete a reflection paper and log of the internship hours as well as other course requirements. Students will be engaged for a minimum of 85 hours with the participating agency that has been approved by the Forensic Science Program Coordinating Committee. PR: INTR 3300.

12. Managerial Practicum/ MSBA 6010 ............................3 hrs.
Students will work with a regional organization (i.e. business, non-profit, health care, etc) to solve real world problems in the role of an independent consultant. Students will work with the employer
to identify the managerial issues and will apply learning from their coursework to solve these issues. Students will make a presentation to the local employer and will submit a written case analysis of their project. (Elective Course - Graded on a Credit/No Credit basis)

13. National Security and Intelligence Field Experience Practicum/ NSIS 3302.................................1-12 hrs.
A supervised professional study conducted in the National Security and Intelligence field setting.
Instructor approval required

In this course, students will gain administrative experiences in directing and supervising summer day camp programs (Falcon Camp) or choose an internship that provides an equal or greater learning and work experience. Internships must be preapproved by instructor. Students will be required to obtain an internship in the field of recreation approved by instructor. Students will be required to fulfill 150 hours of documented work experience from their supervisor. Junior standing.
PR: RECR 1151 and 3330.
