

Computer Logon Issues:

1. If you are a faculty or staff member you will use the FAIRMONTSTATE domain to log onto computers. If the computer you are trying to log onto is set up to log onto the STUDENTS domain you must enter fairmontstate\yourUCA in the username field.
2. If you are a student you will use the STUDENTS domain to log onto computers. If the computer you are trying to log onto is set up to log onto the FAIRMONTSTATE domain you must enter students\yourUCA in the username field.
