

Emergency Notification Setup:

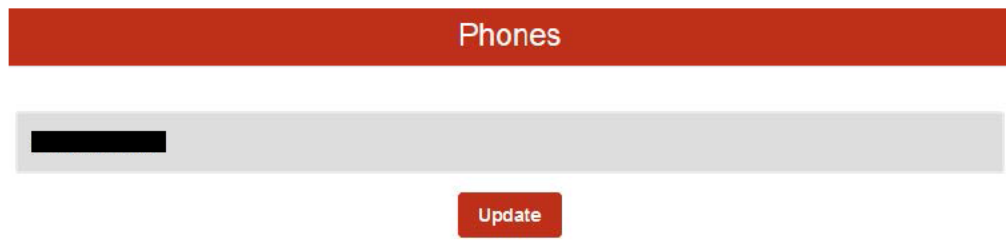

To sign up for Emergency Notifications, log in to myFairmontstate. Click on the Emergency Notification icon. If you are not yet enrolled, this will enroll you and allows you to input your contact information.

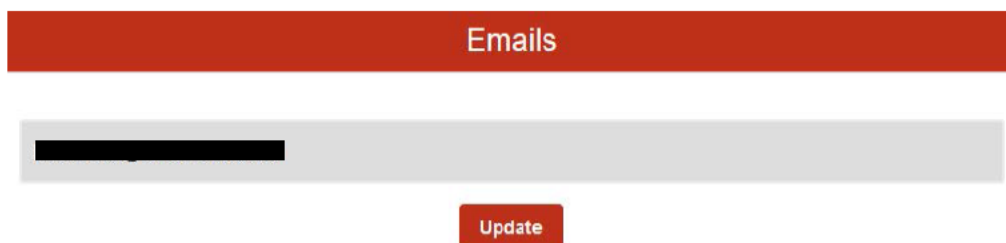

If you are already enrolled, clicking on the Emergency Notification icon will allow you to edit your emergency notification settings and contact information.

Configuring Notification Preferences:

To add or edit your phone number(s) click on Update in the Phones section:

A screenshot of a web form. At the top is a red header bar with the word "Phones" in white. Below the header is a light gray input field containing a blacked-out phone number. Below the input field is a red button with the word "Update" in white.

To add or edit your email address(es) click on Update in the Emails section:

A screenshot of a web form. At the top is a red header bar with the word "Emails" in white. Below the header is a light gray input field containing a blacked-out email address. Below the input field is a red button with the word "Update" in white.

Be sure to click Save when you're done entering your contact information.
