Section I - Graduation Rate - Establishing Cohorts

Cohort revision

The Initial Cohort is comprised of the number of first-time, full-time undergraduate degree/certificate-seeking students, as they were reported in Column 1 of the 2004 IPEDS Enrollment survey

Institutions are permitted to make revisions to the initial cohort. The revisions can be either:

1. An actual change in the number of students in the cohort due to cohort-eligible students that were previously omitted from the initial cohort
2. A reclassification of students within gender or racial/ethnic categories with no actual change in the cohort total

No revisions should be made for anyone who dropped out, transferred to another institution, or became a part-time student.

Does your institution have any revisions to make to your preloaded Initial Cohort?

- ◉ Yes
- ○ No

Summary

2010 IPEDS Graduation Rate Component Data Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the ExPT and sent to your institution's CEO in November 2011.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.
